Management's Responsibility for the Consolidated Financial Statements

To the Residents and Ratepayers of the Corporation of the Township of Tehkummah

The accompanying consolidated financial statements of the Corporation of the Township of Tehkummah ("the Township") are the responsibility of the management of the Township and have been approved by Reeve and Council.

Management is responsible for the preparation and presentation of the accompanying consolidated financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board of CPA Canada. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the consolidated financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of consolidated financial statements.

The Township's Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial statements. The Council fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for recommending the appointment of the Township's external auditors.

MNP LLP, an independent firm of Chartered Professional Accountants, is appointed by Council to audit the consolidated financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Council and management to discuss their audit findings.

Acting Clerk-Treasurer

To the Members of Council, Residents and Ratepayers of the Corporation of the Township of Tehkummah

Opinion

We have audited the accompanying consolidated financial statements of The Corporation of the Township of Tehkummah (the "Municipality"), which comprise the the consolidated statement of financial position as at December 31, 2018, and the consolidated statements of operations, accumulated surplus, changes in net financial assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Municipality as at December 31, 2018, and the results of its operations and accumulated surplus, the changes in net financial assets and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Consolidated Financial Statements" section of our report. We are independent of the Municipality in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 26 of the financial statements, which describes the effects of the restatement of prior year figures with respect to the consolidation of Manitoulin Centennial Manor and Manitoulin Planning Board. The prior year financial statements have not been amended and our audit report has not been reissued with respect to this matter.

Responsibilities of Management and Those Charged With Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Municipality's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are
 appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the
 Municipality's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based
 on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may
 cast significant doubt on the Municipality's ability to continue as a going concern. If we conclude that a material
 uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the
 financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based
 on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may
 cause the Municipality to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business
 activities within the Municipality to express an opinion on the consolidated financial statements. We are
 responsible for the direction, supervision and performance of the group audit. We remain solely responsible for
 our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

For the year ended December 31, 2018

1. Municipal status

The Corporation of the Township of Tehkummah (the "Township") is a municipality located in the Province of Ontario, Canada. It conducts its operations guided by provisions of provincial statutes such as the Municipal Act 2001 and related other legislation.

2. Significant accounting policies

The consolidated financial statements of the Township are the representation of management, prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board (PSAB) of Chartered Professional Accountants of Canada (CPA Canada). The following is a summary of the significant accounting policies followed in the preparation of these financial statements.

(a) Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenues, expenditures and changes in fund balances of the reporting entity. The reporting entity is comprised of all the organizations, committees and local boards accountable for the administration of their financial affairs and resources to the Township which are owned or controlled by the Township. These consolidated financial statements include the following:

Library Board
Little Schoolhouse and Museum Board

Non-consolidated entities

These consolidated financial statements do not reflect the assets, liabilities, sources of financing, expenditures and activities of the following boards, organizations and entities which are not under the control of the Township:

Sudbury & District Health Unit Manitoulin-Sudbury District Services Board Manitoulin Centennial Manor Manitoulin Planning Board

Accounting for School Board Transactions

The Township is required by provincial law to bill, collect and remit provincial education support levies in respect of residential and other properties on behalf of the Province. The Township has no jurisdiction or control over the school boards' operations or education mill rate changes. Revenues, expenditures, assets and liabilities with respect to the operations of the school boards are therefore not reflected in these consolidated financial statements.

(b) Basis of accounting

Accrual accounting

The consolidated financial statements are prepared under the accrual basis of accounting.

The accrual basis of accounting recognizes revenue in the fiscal year in which transactions or events occur that give rise to the revenue and become measurable. Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services or the creation of a legal obligation to pay.

For the year ended December 31, 2018

2. Significant accounting policies (continued)

Measurement uncertainty (use of estimates)

The preparation of these consolidated financial statements in conformity with Canadian public sector accounting standards requires management to make estimates and assumptions which affect the reported amount of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenditures during the period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate estimate of allowance for doubtful accounts is provided where considered necessary.

Amortization is based on the estimated useful lives of property, plant and equipment.

Accrued liabilities are estimated based on expected charges for unbilled goods and services at year-end.

Landfill closure and post closure liability is based upon estimates of the useful life of the landfill and expected costs to rehabilitate the land.

These estimates and assumptions are reviewed periodically and, as adjustments become necessary, they are reported in earnings in the year in which they become known. Actual results could differ from these estimates.

Cash resources

Cash resources include balances with banks and cash on hand.

Deferred revenue

Deferred revenue consists of user charges and other charges and contributions which have been collected for which the related services have yet to be performed, expenses incurred or capital expenditure made. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible assets are acquired.

Deferred Revenue - Obligatory reserve funds

The Township receives certain contributions under the authority of federal and provincial legislation. These contributions are restricted in their use and, until spent on qualifying projects or expenses, are recorded as deferred revenue.

Non-financial assets

Non-financial assets are not normally available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess (deficiency) of revenues over expenditures, provides the consolidated change in net financial assets for the year.

Employee future benefits

The Township has a defined contribution pension plan consisting of a matching group RRSP plan covering substantially all full-time employees. Under this plan, contributions are expensed in the year paid.

For the year ended December 31, 2018

2. Significant accounting policies (continued)

Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the assets.

The cost of tangible capital assets less residual value is amortized on a straight-line basis over their estimated useful lives as follows:

Buildings	50 years
Roads and bridges	50-75 years
Automotive equipment	10 years
Furniture and equipment	10 years
Water and sewer	25 years
Drains	50 years

Additions are amortized at one half of the annual rate in the year of acquisition. Assets under construction are not amortized until the asset is available for productive use.

Reserves and reserve funds

Certain amounts, as approved by Council, are set aside in reserves and reserve funds for future operating and capital purposes. Transfers to and/or from these reserves and reserve funds are reported as an adjustment to the respective fund when approved. Reserves and reserve funds form part of the accumulated surplus balance.

Government transfers

Government transfers are recognized as revenue in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made.

Taxation and related revenues

Property tax billings are prepared by the Township based on assessment rolls issued by the Municipal Property Assessment Corporation ("MPAC"). Tax rates are established annually by Councit, incorporating amounts to be raised for local services and amounts the Township is required to collect on behalf of the Province of Ontario in respect of education taxes.

A normal part of the assessment process is the issue of supplementary assessment rolls which provide updated information with respect to changes in property assessments. Once a supplementary assessment roll is received, the Township determines the taxes applicable and renders supplementary tax billings. Supplementary taxation revenues are recorded at the time these bills are issued.

Assessments and related property taxes are subject to appeal by ratepayers. Tax adjustments as a result of appeals are recorded when the results of the appeal are known.

The Township is entitled to collect interest and penalties on overdue taxes. These revenues are recorded in the period the interest and penalties are levied.

User charges and other revenue

User charges relate to utility charges (water and wastewater), licensing fees, recreational fees, fees for use of various programs, and fees imposed based on specific activities. Revenue is recognized when the activity is performed or when the services are rendered.

Other revenues are recognized in the year that the events giving rise to the revenues occur and the revenues are earned.

For the year ended December 31, 2018

2. Significant accounting policies (continued)

investment income

Investment income is reported as revenue in the fiscal year earned. Investment income earned on obligatory reserve funds is added to the reserve fund balance and forms part of the respective deferred revenue balance.

Landfill closure and post-closure liability

A liability for the remediation of a contaminated site is recognized as the best estimate of the amount required to remediate the contaminated site when contamination exceeding an environmental standard exists, the Township is either directly responsible or accepts responsibility, it is expected that the future economic benefit will be given up, and a reasonable estimate of the amount is determinable.

3. Adoption of accounting standards during the year

PS 2200 Related Party Disclosures, PS 3420 Inter-entity Transactions, PS 3210 Assets, PS 3320 Contingent Assets and PS 3380 Contractual Rights are effective for fiscal years beginning on or after April 1, 2017. PS 2200 provides guidance on the definition of a related party and establishes disclosures required for related party transactions. PS 3420 establishes standards on how to account for and report transactions between public sector entities that comprise a government's reporting entity from both a provider and recipient perspective. PS 3210 provides guidance for applying the definition of assets set out in PS 1000 Financial Statement Concepts, and establishes general disclosure standards for assets. PS 3320 defines and establishes disclosure standards on contractual rights.

4. Operations of school boards

During 2018, the Township collected property taxes totaling \$158,301 (2017 - \$136,867) on behalf of area School Boards.

5. Contributions to non-consolidated joint local boards and organizations

Contributions were made by the Township to the non-consolidated joint local boards as follows:

	2018	2017 (restated)
Manitoulin-Sudbury District Services Board ("MSDSB")	148,900	125,417
Sudbury & District Health Unit ("SDHU")	15,768	14,146
Manitoulin Centennial Manor ("MCM")	22,541	17,738
Manitoulin Planning Board ("MPB")	7,248	7,076
	164,668	139,563

The Township is contingently liable for its share, which is approximately 1.44% (2017 - 1.44%) for the MSDSB, 0.220% (2017 - 0.220%) for the SDHU, 4.78% (2017 - 4.78%) for the MCM and 6.9% (2017 - 7.34%) for the MPB, of any deficits at the end of the year for these boards.

For the year ended December 31, 2018

6. Cash

Cash is comprised of the following:		
	2018	 2017
		(restated)
Unrestricted cash	440,568	514,059
Restricted cash - Federal Gas Tax Fund	104,992	78,855
Restricted cash - Main Street Revitalization Fund	38,031	
	583,591	592,914

Federal Gas Tax funds are restricted in their use in strategic investments to specific spending categories as set out by the Federal Gas Tax Fund Agreements.

Main Street Revitalization funds are restricted in their use to support initiatives and projects to revitalize main streets.

7. Accounts receivable

		0040	0047
		2018	2017
			(restated)
	Other receivables	39,127	45,933
	Allowance for doubtful accounts	(3,497)	(3,497)
	Harmonized Sales Tax rebates receivable	114,568	29,982
		150,198	72,418
8.	Taxes receivable		
		2018	2017
	Taxes receivable	157,225	149,858
	Interest and penalties receivable on outstanding tax balances	13,622	11,715
		170,847	161,573
9.	Government assistance receivable		
		2018	2017
	Government assistance receivable - Federal		16,750
	Government assistance receivable - Provincial	5,411	84,825
		5,411	101,575

10. Operating line of credit

The Township has available a demand operating line of credit to a maximum of \$200,000. This demand operating line of credit bears interest at the bank's prime lending rate plus 1% per annum and is unsecured. At December 31, 2018 this line of credit has not been drawn upon.

11. Deferred revenue

		2018	2017
			(restated)
Balance, beginning of year		35,266	-
Federal Government contributions received			
from Enabling Accessibility Fund		-	51,396
Transfers of Federal contributions to current fund		(12,670)	(16,130)
	12 13	22,596	35,266

For the year ended December 31, 2018

12. Deferred revenue - obligatory reserve funds

A requirement of the Canadian public sector accounting standards is that obligatory reserve funds be reported as deferred revenue. This requirement is in place as legislation and external agreements restrict how these funds may be used. The balances in the obligatory reserve funds are summarized as follows:

	2018	2017
Deferred revenue, beginning of year	78,855	72,898
Contributions received during the year	63,894	25,124
Expenditures		(19,246)
Interest earned	274	79
Deferred revenue, end of year	143,023	78,855
Deferred revenue - obligatory reserve consists of the following: Federal gas tax Main Street Revitilization Fund - Ontario Ministry of Agriculture, Food and Rural Affairs	104,992 38,031	78,855 -
	143,023	78,855

13. Landfill site closure and post-closure liability

The Ontario Environmental Protection Act sets out the regulatory requirements for the closure and post-closure maintenance of landfill sites. Under this act, the Township is required to provide for closure and post-closure care of solid waste landfill sites. This would include final covering and landscaping of the site and ongoing environmental monitoring, site inspection, and maintenance. The costs related to these obligations are provided over the estimated remaining life of active landfill sites based on usage.

The liability for closure and post-closure care represents the discounted future cash flows of estimated closure and post-closure care costs using the following rates and assumptions.

	2018	2017
Estimated remaining capacity	2900 m3	3,600 m3
Estimated remaining life	5 years	6 years
Estimated closure and acquisition costs	65,000	65,000
Monitoring period post-closure	20 years	20 years
Estimated annual monitoring costs	7,000	7,000
Present value of total estimated liability	148,000	142,000
Present value of current estimated liability	128,211	119,119

Future cash flows have been discounted using a long-term interest rate of 6% and an estimated inflation rate of 3%.

A reserve fund has been established to provide for this solid waste landfill closure and post-closure care liability. The reserve fund balance at the end of the year amounts to \$40,491 (2017 - \$40,491). At year-end, no assets have been specifically designated for settling this liability.

For the year ended December 31, 2018

14. Long-term liabilities			
		2018	2016
Loan payable, due March 2022, repayable in monthly instalments of \$1,188 including interest at 3.49% per annum, secured by a specific vehicle with a			
carrying value of \$49,868		43,864	56,358
Loan payable, due January 2023, repayable in monthly instalments of \$585			
including interest at 3.20% per annum, secured by a specific vehicle with a			
carrying value of \$28,702.		26,813	32,883
	2 9	70,677	89,241
Less: current portion of long-term debt		19,206	18,566
		51,471	70,675

These long-term liabilities issued in the name of the Township for the purchase of vehicles have been approved by by-law. The annual principal and interest payments required to service these liabilities are within the annual debt repayment limits prescribed by the Ministry of Municipal Affairs and Housing,

Principal repaid on long-term liabilities in 2018 amounted to \$18,564 (2017 - \$14,369).

Interest expense on long-term liabilities in 2018 amounted to \$2,713 (2017 - \$2,767)

Debt to be retired over the next four years, payable from general revenues, are as follows:

2019	19,206
2020	19,868
2021	20,554
2022	11,049
	70,677

15. Accumulated surplus

Accumulated surplus consists of the following:

	2018	2017
		(restated)
General revenue fund	(551,274)	(366,486)
Reserves and reserve funds	662,038	597,871
Invested in tangible capital assets (Note 16)	2,491,363	2,717,032
	2,602,127	2,948,417

16. Invested in tangible capital assets

·	2018	2017
		(restated)
Tangible capital assets (Schedule 2)	9,387,993	9,342,906
Accumulated amortization (Schedule 2)	(6,825,953)	(6,536,633)
Long-term debt (Note 14)	(70,677)	(89,241)
	2,491,363	2,717,032

17. Employee future benefits

The Township contributes to a matching discretionary group RRSP pension plan based on a percentage of earnings covering substantially all full-time employees. During the year, contributions under this plan totalled \$14,562 (2017 - \$14,865).

For the year ended December 31, 2018

18. Contingencies

In addition to those noted in Note 5, the Township is subject to the following:

- a) The Township receives contributions from various government programs which are subject to audit. Audit adjustments, if any, are recorded in the accounts in the year in which they become known.
- b) The Township has brought action against a group of vendors for breach of contract and negligence totalling \$500,000. One of the vendors has filed action for payment of holdbacks totalling \$308,818 based on the same facts noted in the Township's claim. Should developments cause a change in this evaluation, the impact would be recognized in the period in which such change occurs.
- c) The Township is involved in a number of claims and possible claims which are as a result of normal ongoing operations. Management of the Township is of the opinion that these claims are without merit. No provision has been made in these statements to reflect any of these claims. Any settlements or awards which may arise will be reflected in the financial records in the year that the amount has been determined.
- d) As at December 31, 2018, there were various assessment appeals pending with respect to properties. The outcome of those appeals may result in adjustments to property taxes receivable for the current and prior years. The Township has estimated adjustments for certain appeals and records any difference against property taxes receivable when known.

19. Commitments

a) The Township has entered into a management services agreement with the Ontario Clean Water Agency (OCWA) to operate and maintain the Town's water treatment plant and distribution system. The agreement is for a five-year period ending December 31, 2019, at an annual cost as follows:

2019 90,479

b) The Township has entered into a purchase agreement with the Superior Propane. The Township has committed to purchase 22,000 litres of propane over one-year period ending January 31, 2020 at a cost of \$0.545 per litre, resulting in a total cost of \$11,990.

20. Budget figures

The Township completes separate budget reviews for it operating and capital budgets each year. The operating budget for 2018 is reflected on the Consolidated Statement of Operations and has been reclassified to comply with PSAB reporting requirements. Budgets established for Reserves and Reserve Funds are based on a project-oriented basis, the costs of which may be carried out over one or more years and funding is determined annually and made by transfers from individual funds and by the application of applicable grants or other funds available to reserves or reserve funds.

21. Financial instruments

Fair value of financial instruments

The Township's carrying amounts of accounts receivable, taxes receivable, government assistance receivable, and accounts payable and accrued liabilities approximate their fair value due to short-term maturities of these instruments.

Credit risk

The Township does not have significant exposure to any individual or party due to the fact that municipalities can obtain liens on properties for any unpaid realty taxes. An allowance for doubtful accounts is established based upon factors surrounding the risks related to specific ratepayers, historical trends and other information.

The Township holds its cash accounts with large reputable financial institutions. Management believes there is negligible risk of loss due to credit risk.

For the year ended December 31, 2018

21. Financial instruments (continued)

Interest rate and currency risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. The Township is not exposed to significant interest rate risk.

Liquidity risk

Liquidity risk is the risk that the Township will not be able to repay its obligations when they become due to its creditors. The Township is exposed to this risk relating to its accounts payable and accrued liabilities as well as its long-term liabilities.

The Township reduces its exposure to liquidity risk by monitoring cash activities and expected outflow through extensive budgeting and maintaining sufficient cash to repay trade creditors as payables become due.

22. Budget information

The budget presented was not prepared on a basis consistent with that used to report actual results (Public Sector Accounting Standards). The budget was prepared on a modified accrual basis white Public Sector Accounting Standards require full accrual basis. In addition, the budget expenses all tangible capital asset acquisitions. As a result, the budget figures presented in the statement of operations represent the budget adopted by Council with adjustments as follows:

	2018
Budgeted surplus per financial statements	67,559
Budgeted tangible capital asset additions	(67,559)
Budget surplus	•

23. Segmented information

The Township is a diversified municipal government that provides a wide range of services to its citizens including water, roads, fire, police, public works operations, recreation, culture, planning, development, building services and health and social services. For management reporting purposes, the Township's operations and activities are organized and reported by Fund. Funds were created for the purpose of recording specific activities to attain certain objectives in accordance with special regulations, restrictions or limitations.

Township services are provided by departments and their activities are reported in these funds. Certain departments have been separately disclosed in the segmented information, along with the services they provide, and are as follows:

General government

General government consists of: office of the Reeve, council expenses, administrative services (including clerks, elections, communications, legal and information technology services), human resources and financial departments. Areas within the general government respond to the needs of external clients by providing high quality, supportive and responsive services. This area also supports the Township's various operating departments and supports the implementation of priorities of Council and provides strategic leadership on issues relating to governance, strategic planning and service delivery.

Protection services

This section consists of: fire, police, animal control, building services and emergency measures. Police services ensure the safety of the lives and property of citizens; preserve peace and order; prevent crimes from occurring, detect offenders and enforce the law. Fire services are responsible to provide fire suppression service, fire prevention programs, training and education related to prevention, detection and extinguishment of fires. The building services division processes permit applications and ensure compliance with the Ontario building code and with by-laws enacted by Council.

Transportation services

This area is responsible for management of roadways and bridges including traffic and winter control.

For the year ended December 31, 2018

23. Segmented information (continued)

Environmental services

In addition to the management of waterworks, this area is responsible for waste collection, waste disposal and recycling facilities and programs. This section is responsible for providing clean, potable water meeting all regulatory requirements and responsible for repairing breaks and leaks in the water system.

Health and Social services

This section consists of assistance to aged persons, cemetary services as well as the Township's contribution to the Sudbury and District Health Unit and Manitoulin-Sudbury District Services Board.

Recreation and Cultural services

This section provides public services that contribute to neighbourhood development and sustainability through the provision of recreation and leisure services and provides management of leisure facilities. This section also contributes to the information needs of the Township's citizens through the provision of library and cultural services and by preserving local history and managing archived data.

Planning and Development

The goal of this section is to offer coordinated development services in order to maximize economic development opportunities, and to ensure that the Township is planned and developed in accordance with the Ontario Planning Act, Provincial policies and good planning principles, so that Tehkummah is an enjoyable and beautiful community to live, work and play.

For each reported segment, revenues and expenses represent amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those followed in the preparation of the consolidated financial statements.

24. Library operations

Government transfers for library operations for the year include a Library Per Household grant of \$1,664 (2017 - \$1,611) and capacity building grants of \$nil (2017 - \$7,572) from the Province of Ontario.

Total operating costs for the library for the year ended December 31, 2018 amounted to \$7,546 (2017 - \$10,237). Of these costs, \$820 (2017 - \$5,063) related to salaries and benefits for employees.

25. Accounting standards issued but not yet adopted

PS 3430 Restructuring Transactions is effective for fiscal years beginning on or after April 1, 2018 and establishes standards on how to account for and report restructuring transactions by both transferors and recipients of assets and/or liabilities, together with related program or operating responsibilities.

PS 3450 Financial Instruments, PS 2601 Foreign Currency Translation, PS 3041 Portfolio Investments and PS 1201 Financial Statement Presentation are effective for fiscal years beginning on or after April 1, 2021. While early adoption is permitted, all four standards must be adopted in the same year. PS 3450 Financial Instruments provides guidance on the recognition, measurement, presentation and disclosure of financial instruments including derivative instruments. PS 2601 Foreign Currency Translation includes guidance on deferral and amortization of unrealized gains and losses, hedge accounting and separation of realized and unrealized foreign exchanged gains and losses. PS 3041 Portfolio Investments provides guidance on on how to account for and report portfolio investments in government financial statements.

The Township has not yet adopted these standards or determined the effect on the consolidated financial statements.

For the year ended December 31, 2018

26. Correction of an error and comparative figures

During the year, the Township determined that it did not have control over Manitoulin Planning Board and Manitoulin Centennial Manor and as such the results of these entities should not be proportionately consolidated in the current or prior periods.

For the year ended December 31, 2017, the cumulative effect of the above adjustments has been to decrease Government transfers by \$127,215, decrease fees and service charges by \$66,991, decrease other income by \$3,324, decrease expenses by \$203,040, decrease net deficit by \$5,510, decrease cash by \$44,813, decrease term deposits by \$2,278, decrease accounts receivable by \$7,759, decrease accounts payable and accrued liabilities by \$47,996, decrease deferred revenue by \$605, decrease tangible capital assets by \$148, decrease prepaid expenses by \$711, decrease inventory by \$582, decrease opening net financial assets by \$11,671, decrease ending net financial assets by \$6,250, decrease opening accululated surplus by \$13,200 and decrease ending accumulated surplus by \$7,690.

For the year ended December 31, 2018, the cumulative effect of the above adjustments has been to decrease opening net financial assets by \$6,250 and decrease opening accumulated surplus by \$7,690.

The Comparative figures have been restated to effect the above retroactive restatements and to conform with the current year's presentation.
