

STAY HOME

In compliance with the Emergency Orders issued in the Province surrounding the COVID 19 pandemic, the Chief Medical Officer of Health and the Premier of Ontario are encouraging people to *stay away* from their cottages and summer residences.

If you become ill up here this will cause undue, additional strains on the health system in this area.

Please **STAY HOME – at your permanent residence** - until this is over so we can all enjoy summer on Manitoulin!

Social gatherings of more than 5 people are prohibited by O. Reg. 52/20
