### **11. DAMAGE BY VEHICLES AND OTHER EQUIPMENT**

If at any time, in the opinion of the Public Works Superintendent, damage is being done or is likely to be done to any highway or any improvement thereon, other than such portions as are part of the work by the Contractor's vehicles or other equipment whether licensed or unlicensed, the Contractor shall, on the direction of Public Works Superintendent, and at the Contractor's own expense, make changes in or substitutions for such vehicles or other equipment; or shall alter loadings or shall in some other manner remove the cause of such damage to the satisfaction of the Clerk/Administrator.

### **12. SPILLS REPORTING**

Spills or discharge of pollutants or contaminants under the control of the Contractor and spills or discharges of pollutants or contaminants that are a result of the Contractor's operations that cause or are likely to cause adverse effects shall for with be reported to the Clerk/Administrator. Such spills or discharges and their adverse side effects shall be as defined in the Environmental Protection Act R.S.O. 1990.

### **13. INSURANCE REQUIREMENTS**

The Contractor covenants and agrees to indemnify and save harmless the Township from and against any and all claims for loss, costs, damages, and or compensation and legal expenses the Township may incur as the direct or indirect result of the work operation described herein being carried out by the Contractor. The Contractor shall secure and maintain at his/her expense during the duration of this contract, general comprehensive liability insurance in an amount not less than two million dollars (\$2,000,000.00) per incident, naming the Township of Tehkummah as an additional named insured and containing a cross-liability endorsement.

The contractor shall deliver, within ten (10) calendar days of receiving the acceptance notice, proof of Workplace Safety and Insurance Board coverage.

Failure to provide either proof shall result in the cancellation of the contract.

### **14. DEFAULT BY CONTRACTOR**

If the Contractor commits any act of bankruptcy; or if a receiver is appointed on account of its insolvency or in respect of any of its property; or if the Contractor makes a general assignment for the benefit of its creditors; then, in any case, the Township may terminate the contract without notice.

If the Contractor fails to comply with any request, instruction, or order of the Township; or fails to pay its accounts; or fails to comply with or persistently disregard statutes, regulations, by-laws, or directives of the relevant authorities relating to the work; or fails to undertake the work with the required skill and diligence; or assigns/sublets the contract or any portion of thereof without the Township's written consent; or refuses to correct defective work; or is otherwise in default of carrying out its part of any of the terms, conditions and obligations of the contract, then, in any such case the Township may terminate the contract upon expiration of ten (10) days from the date of written notice to the Contractor.

Any termination of the contract by the Township, as aforementioned, shall be without prejudice to any other rights or remedies the Township may have.

If the Township terminates the contract, it is entitled to:

Take possession of all of the work in progress and finish the work by whatever means deemed appropriate under the circumstances;

Withhold any payment to the Contractor until its liability to the Township is ascertained;

Recover from the Contractor any loss, damage, and / or expense incurred by the Township by reason of the Contractor's default, which may be deducted from any monies due or becoming due to the Contractor, and any other balance to be paid by the Contractor to the Township.

#### **15. CONTRACTOR'S DISCHARGE OF LIABILITIES**

The Contractor shall discharge and cause each Subcontractor to discharge all liabilities incurred for labour, materials, or services used or reasonably required for use in the performance of this contract on the date upon which each becomes due. The Contractor shall furnish the Township with a Statutory Declaration providing confirmation that his liabilities and those of the Subcontractors, as aforementioned, have been discharged and this shall include a certificate or certificates from the Workplace Safety and Insurance Board that they have complied with the requirements of the Workplace Safety and Insurance Board and are in good standing in the books of the board.

No payment to which the Contractor is otherwise entitled under this contract shall be due and payable to him so long as he or any Subcontractors are in default under this section, and upon such default occurring, the Township may, in respect of claims submitted by creditors having a contractual relationship with the Contractor, after notice in writing to the Contractor and his surety, withhold payment of the whole or any part of any such liability of the Contractor. Interest will not be paid on any such funds withheld.

#### **16. CONTRACT TIME AND LIQUIDATED DAMAGES**

It is agreed by the parties to this contract that in the event that all the work called for under the contract is not completed by the date specified, or as extended by the Public Works Superintendent, a loss or damage will be sustained by the Township. Since it is and will be impractical and extremely difficult to ascertain and determine the actual loss or damage which the Township will suffer in the event of and by reason of such delay, the parties hereto agree that the Contractor will pay to the Township the sum of five hundred dollars (\$500.00) as liquidated damages for each and every calendar day's delay in achieving completion of the work beyond the date prescribed. It is agreed that this amount is an estimate of the actual loss or damage to the Township, which will accrue during the period in excess of the prescribed date for completion.

The Township may deduct any amount under this paragraph from any monies that may be due or payable to the Contractor on any account whatsoever. The liquidated damages payable under this paragraph are in addition to and without prejudice to any other remedy, action or other alternative that may be available to the Township.

#### **17. COMPLIANCE WITH THE OCCUPATIONAL HEALTH AND SAFETY ACT**

The Contractor shall execute the terms of the contract in strict compliance with the requirements of the Occupational Health and Safety Act, RSO 1990, c.0.1 (the Act) and Ontario Regulation 213/91 (Construction Projects) and any other regulations under the Act (the Regulations) which may affect the performance of the work, as the Contractor or Employer, as the case may be.

Worker safety is given first priority in planning, pricing and performing the work. Its officers and supervisory employees have a working knowledge of the duties of a Contractor and Employer under the Act and provisions of the Regulations applicable to the work, and a personal

commitment to comply with them. Workers employed to carry out the work possess the knowledge, skills and protective devices required by law or recommend for use by a recognized industry association to allow them to work in safety; supervisory employees carry out their duties in a diligent and responsible manner with due consideration for the health and safety of the workers.

All Subcontractors employed by the Contractor to perform part of the work and their employees are properly protected from injury while carrying out their associated duties. The Contractor shall cooperate with the representatives of the Township and inspectors appointed to enforce the Act and the Regulations in any investigations of worker health and safety in the performance of the work. The Contractor shall identify and save the Township from any additional expense which may be incurred to have the work performed as a result of the Contractor's failure to comply with the requirement so the Act and the Regulations.
